Incredible Konnectibles The Superhero of Playroom Toy Storage

The colourful Konnectible range from Toy Tidy has an extraordinary ability to provide the ultimate storage solution for any room in the house. Transformation to an arrangement of your preference is easy with the unique Konnectible specially designed connecting pins.

Units can be connected together in the design of your choice - the only limitation is the size of your room!

Units are available individually - Single Open Cube starts at £71.38 or Toy Tidy offer 4 different pre selected sets starting from £664.74 . Discounts are offered for multi buy sets of your own design.

Visit www.toytidy.com to order or for more details.

Toy Tidy -Set 2

Choose your choice of door colour - red, blue, lime green or orange - they can be all the same or a mix of colours. Choose from 9 colours of tray. Shallow trays have Stop 'n' Tilt runners so they will not pull out all the way unless you tilt them. Each individual unit shell is 18mm Beech Melamine Faced Chipboard and edged with 2mm PVC white edging.

Toy Tidy -Set 3

Made in the UK - all individual units are delivered fully assembled, just connect them when they arrive

Toy Tidy -Set 4

Notes to editors: The Toy Tidy Company specializes in storage systems, toy boxes, furniture and accessories to help organise your family. Their online shop is packed with bright and innovative ideas for keeping children's toys and clothes in order. Many products come in a choice of sizes, colours, wood finishes or fabrics to fit your own specific requirements, they can even be personalised. Many products are made in the UK and can be delivered flat packed or ready assembled.

Call Helen Copen on 01223 291430 or email helencopen@toytidy.com for more details or images
